

UBONGO TOOLKITS: Equipping Caregivers with Learning Resources to Support At-Home Learning for Kids

by **ubongo**

There are over

500 MILLION KIDS

kids in Africa, and they have the potential to solve some of the continent's BIGGEST challenges from health to governance to poverty...

BUT to do that they need to get quality education and learning experiences today!

But what more can we do to support kids learning at home?

ubongo
TOOLKITS

Ubongo Toolkits are FREE digital-based localised educational resources for kids aged 0 - 14, covering all the key topics from our shows, and so much more!

What will you find on the toolkits?

- Video and audio content from our shows broken into bite sized chunks and searchable by subject, language and age group
- Bilingual e-books (English and Kiswahili)
- Learning apps covering a range of topics from pre-literacy skills, spelling to STEM skills
- Videos for caregivers on play-based learning, nutrition, hygiene and so much more
- Worksheets and printables for kids practice at home
- Guides and how-to materials to help educators and caregivers learn how to use the toolkits to support learning in different settings
- COMING SOON: Guides that map content on the platform to education curriculums' in Kenya, Tanzania and Rwanda

Ubongo produces two edutainment shows for TV, radio and digital platforms:

Akili and Me teaches 3 to 6-year-olds numeracy, early literacy, English as a second language, art, and socio-emotional skills for holistic early childhood education.

Languages:
English | Swahili | Kinyarwanda | French

mambo?
